TOWN WARRANTS
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epsom in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epsom on Tuesday, the 11th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for State Aid Maintenance, the State to give \$1,800.00.
4. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for Trunk Line Maintenance, the State to give \$5,250.00.
5. To see if the Town will vote to raise and appropriate the sum of \$160.00 for the Library.
6. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the observance of Memorial Day.
7. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the observance of Old Home Day.
8. To see if the Town will vote to raise and appropriate a sum of money to be used for band concerts.

9. To see if the Town will vote to raise and appropriate the sum of \$50.00 to be used in the care and improvement of Webster Park.

10. To see if the Town will vote to allow a discount of 2% (two per cent) on all property taxes paid in full before July 1, 1930.

11. To transact any other business that may legally be brought before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and thirty.

GEORGE H. YEATON,
ARTHUR A. WELLS,
WARREN T. FOWLER,

Selectmen of Epsom.

ANNUAL REPORT OF THE TRUSTEES OF THE EPSOM PUBLIC LIBRARY

The trustees regret to report the resignation of John W. Griffin who has been chairman of this board for many years. He has always had the best interests of the library at heart, and his resignation will be keenly felt.

Electric lights have been installed in the library the last year.

Several new periodicals have been added. The trustees also acknowledge the receipt of other magazines for which we thank the donors.

A branch library has been established at the home of Mrs. Walter B. Wells in the New Rye District, Mrs. Wells having charge of the same.

The trustees ask the assistance of all interested in compiling a post card collection of town views of Epsom, placing the same on file in the library.

The trustees gratefully acknowledge the bequest of \$200.00 from the estate of the late Warren Tripp, who was a former member of the board of trustees and always interested in the welfare of the library.

Respectfully submitted,

JOHN W. GRIFFIN.*
FLORENCE L. YEATON,
INIS W. CASS,

December 31, 1929.

*Resigned—John Brown appointed.

Librarian's Record

Whole number of volumes, Jan. 1, 1929	3179
Volumes purchased	63
Volumes received by gift	5
	<hr/>
Total number of accessions	68
Worn out volumes withdrawn	2
	<hr/>
Total increase for the year	66
Total number of accessioned volumes, Dec. 31, 1929	3245
Number of active borrowers, about	225
Adult fiction lent	3946
Juvenile fiction lent	1044
Adult non-fiction lent	409
Juvenile non-fiction lent	443
Reference books lent	15
Unbound periodicals lent	112
Total circulation	6194

The circulation for the year has been 6194 volumes of which 1481 was from the children's shelf. This does not include the use of books in the reference room. Children's Book Week saw a display of new and desirable books in the library. Post card notices of new books have been sent out to persons interested in special subjects. Reserve cards

have been kept and all possible effort has been made to get the book wanted into the hands of the person wanting it.

The largest exhibit of the year was a collection of 40 books every boy and girl under 16 years of age should have read. This list was compiled by the United States Bureau of Education and all the books are in the library. This exhibit was placed in the local stores.

The librarian attended a two weeks' Library Summer School held by the Public Library Commission of New Hampshire at Durham. A scholarship of \$25 was awarded the librarian, covering all expenses of the course.

To the members of the Board of Trustees, the librarian returns grateful acknowledgement for council and interest in the library activities.

Respectfully submitted,

LAURA Y. BICKFORD,

Librarian

Epsom, N. H., December 31, 1929.

Total	\$12,193.37
Less school boards orders, paid	11,642.91
	<hr/>
Balance on hand, June 30, 1929	\$550.46

Respectfully submitted,

ANNIE M. FOWLER,
District Treasurer.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the Treasurer of the school district of Epsom, N. H., of which the above is a true summary for the fiscal year ending June 30, 1929, and find them correct in all respects.

WALTER B. WELLS,
Auditor.

July 11, 1929.

SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

I herewith submit my tenth annual report of the schools of Epsom, for the year ending June 30, 1929.

There were maintained during the year seven schools for a school-year of 36 weeks, with no change in the teaching force.

The total school enrollment was 104. (46 boys and 58 girls), with a daily average attendance of 92.77 per cent.

The schools were in session on an average of 352.14 half days.

School Activities

Of the seven teachers employed, all are graduates of high school, four are graduates of a normal school, one of Dewey Training School, one a year at normal school and attended Summer Institute for Teachers.

The teacher arrives at the school in the morning in time to have the schoolhouse doors opened 15 minutes before the scheduled time for opening the school.

The activities of the pupils during noon and recess periods are supervised by the teachers, who have learned that a well-supervised play-ground not only makes discipline pleasanter, but aids in the improvement of scholarship and in character-building.

The teachers have done their work faithfully and efficiently.

The school board is annually improving the sanitary condition of the school buildings and is providing ample scholar-supplies and text books.

The health of the child, in a large measure, determines his regularity of attendance, his behavior, his ability to perform successfully, his work, and his chance of becoming an efficient citizen. Supervision and instruction in matters

of health should have an important place in the school organization.

The health work in our schools aims to develop the good health and happiness of the pupil and the well-being of the community. Good work is being done by our school nurse, who is working faithfully and efficiently in checking epidemics and in correcting deformities and maladies.

The teachers are teaching the benefits of good health habits and physical exercises for the well-being of the pupil and the home, with special emphasis upon the prevention of accidents and disease.

Drill in the fundamentals of arithmetic, and examinations by standardized tests, were given during the year and showed a marked improvement over previous years.

Attendance

The problem of school attendance is one of the most important problems in school management. Regularity of attendance is absolutely necessary in order that the school may perform its special work of training children for the duties of citizenship.

Non-attendance causes an economic loss to the tax-payer; it causes a very large per cent of the failures of promotion; it retards the work of the entire class, and to a less extent, the work of the whole school.

Parents who desire their children to be promoted should see that their attendance at school is regular.

I am glad to report that the cases of truancy in our schools are growing less.

The changing social and economic conditions of modern life are seriously affecting rural life.

What to do with small rural schools in order that they may meet the new conditions in American life is more perplexing than what to do with urban schools.

Whether to merge the one-room rural school with other schools in the community and thus establish a consolidated

school, or whether to retain the one-room school and improve the sanitary and hygienic condition of the buildings, build up the teaching force by paying a sufficiently large salary to retain the teacher, are problems that should receive serious consideration.

Investigations made of the rural schools throughout the country lead to the belief that the interests of the children are best served in the larger schools.

Music is considered one of the important studies in the school curriculum and I would recommend to the school board the employment of a music supervisor for all the schools as soon as they can make it convenient.

Parents and citizens are invited to visit the schools frequently.

In conclusion, I express my appreciation for the co-operation and assistance given to me by the teachers, the school board and the citizens.

Respectfully submitted,

HENRY S. ROBERTS,
Superintendent of Schools.
